

## Fall and Spring Graduate Student Enrollment Chart

enrollment Types	MS	PhD Pre-dissertator	PhD Dissertator
domestic unfunded	2 credits minimum*	2 credits minimum*	3 credits
international unfunded	8 credits minimum (unless you have an exception from ISS)	8 credits minimum (unless you have an exception from ISS)	3 credits
RA or fellowship through LSC	8 credits minimum	8 credits minimum	3 credits
33.33% TA through LSC	6 credits minimum	6 credits minimum	3 credits
50% TA through LSC	4 credits minimum	4 credits minimum	3 credits
funded through another department/program	check with that department	check with that department	3 credits
other	check with Kristin Klarkowski	check with Kristin Klarkowski	3 credits

\*this does not qualify as "full time enrollment," full time enrollment when "unfunded" is 8 credits minimum

For all MS and PhD Pre-dissertators the maximum enrollment is 15 credits. Students should only enroll in 15 credits with their advisor's approval. 12 credits maximum is recommended.

A valid enrollment minimum **does not count** the following types of courses

- courses numbered below 300
- courses taken pass/fail
- audited courses

## Summer Graduate Student Enrollment Chart

*Students must be enrolled at UW-Madison if they are using university facilities, including faculty and staff time.*

enrollment types	minimum enrollment for full-time status summer term (8-week DHH session)
dissertator	not required unless receiving a summer degree or working in an assistantship
RA more than 33%, non-dissertator	2 credits
TA/PA 33% non-dissertator	not required unless receiving a summer degree → 2 credits minimum
TA/PA 50% non-dissertator	not required unless receiving a summer degree → 2 credits minimum
International Student (F-1/J-1), non-dissertator, if no other category in this list	4 credits when summer is admit semester, 2 credits when summer is admit semester and student holds at least 33% RA/TA/PA
If none of the above	4 credits

The above information was taken from the Graduate School's Academic Policies and Procedures website which can be found online at:
